Erin Servais

Speaker, Instructor, Expert in AI for Editing

Erin Servais is an editor and instructor teaching editors to upskill with artificial intelligence. She serves on the board of directors for ACES: The Society for Editing and teaches editing for the University of California, San Diego. Erin has presented about editing for the Professional Editors Network, Editorial Freelancers Association, Editors Canada, Northwest Editors Guild, and ACES, and she's a regular guest lecturer for the University of North Carolina at Chapel Hill. Since its launch in August 2023, she's taught her AI for Editors course to students in over 20 countries.
